

Training for writing, math, social studies, science, reading and grammar skills. Based upon the standardized Canadian GED Program and subject to the learning needs of the individual.

Our outstanding teachers will provide the necessary instruction to prepare you to write the GED Tests; Language Arts both Reading and Writing, Social Studies, Science, Mathematics. All of our teachers are highly qualified, native English speakers with university degrees, and have many years of experience.

Don't let not having a High School Diploma hold you back! Take control of your future, whether to start a career, continue to grow in your current one. Study at your pace, we know you have a busy lifestyle and we will work with your schedule.

We do not place students with different levels in the same group. If there are only one or two students enrolled in the current course, the number of lessons is reduced, and the student will receive private (semi-private) classes at a discounted rate.
